

GEORGE B. CORTELYOU, THE MAN WHO DID THE WORK.

GENERAL ELECTION

(Continued from First page.)

Increased republican membership, and will be overwhelmingly republican on joint ballot. This assures the reelection of John Kain to the United States senate.

Roosevelt's New Jersey plurality is 49,100. Stokes, republican, for governor, has 31,200.

Alabama.

Montgomery, Ala., Nov. 9.—All the democratic congressional candidates are elected.

Returns from Alabama are scattering. Indications are that the state has gone for Parker by fifty thousand plurality.

Florida.

Jacksonville, Nov. 9.—The returns so far received indicate the usual democratic majority in Florida.

Michigan.

Detroit, Mich., Nov. 9.—The republican state central committee announced that the returns they have received from the state indicate that Roosevelt will have a majority of from 125,000 to 135,000.

South Carolina.

Charleston, Nov. 9.—South Carolina is largely democratic, electing congressmen in the seven congressional districts and the entire state democratic ticket. The presidential electors will receive about 60,000 votes, and the republicans over 7,500.

Louisiana.

New Orleans, Nov. 9.—The democrats have carried Louisiana for Parker and Davis by a majority of probably 35,000. Seven democratic congressmen have been elected.

Texas.

Austin, Nov. 9.—Returns show that the vote will hardly exceed 375,000, of which 250,000 were cast for Parker and 50,000 for Roosevelt, and the balance scattering. All democratic candidates for congress are elected in Texas.

Colorado.

Denver, Colo., Nov. 9.—D. B. Fairley, republican chairman, says that Roosevelt has carried the state, and that Governor Peabody is safe, though his vote will fall short of Roosevelt's.

Out of a total of 848 votes in the first Denver precinct 412 were straight republican.

The republicans claim Colorado for Peabody by 50,000.

North Carolina.

Raleigh, N. C., Nov. 9.—Indications are that a heavy vote was polled. Returns from the First congressional districts show a democratic landslide.

Raleigh, N. C., Nov. 9.—North Carolina returns indicate the state democratic ticket is elected by 60,000 to 75,000 plurality. Every congressional district is democratic by large majorities.

Rhode Island.

Twelve districts of Rhode Island for president, out of 153, give Parker 1,391 and Roosevelt 3,336. The same in 1900 gave Bryan 1,016 and McKinley 1,691.

Many District Go Republican.

Washington, Nov. 9.—President Roosevelt is assured of the co-operation of a republican majority in that body, thirty-four, is likely to reach fifty. Probably the most marked of

these are the Fourth and Fifth districts of California (San Francisco) now represented by democrats, which reports indicate, have been gained by the republicans. In the Twelfth, Ohio, Taylor, republican, is reported to have defeated Badger, the sitting democratic member. The most surprising of all comes from the Fifth and Fifteenth Missouri, both strongly democratic and formerly represented by Cowherd, chairman of the democratic congressional campaign committee. The republicans claim to have carried both districts. In the light of these reports a republican majority of fifty in the house is considered a conservative estimate.

Wyoming.

Cheyenne, Wyo., Nov. 9.—Wyoming is conceded by the democratic committee to have gone for Roosevelt by a large majority. The race for governor between Brooks, rep., and John E. Osborne, dem., is close.

Iowa.

Des Moines, Nov. 9.—The chairman of the republican state central committee claims the state by 130,000 to 150,000. The Des Moines Register and Leader says: "If the present ratio of gain per precinct keeps up Roosevelt will have about 140,000 plurality in Iowa."

California.

Chicago, Nov. 9.—State Chairman George Stone, of California, wires that California will give Roosevelt 75,000 majority and all congressmen will be republican.

Kansas.

Topeka, Kan., Nov. 9.—Indications are that Roosevelt will carry the state by 30,000 plurality. The state ticket was badly scratched.

208 Republican Congressmen.

Chicago, Nov. 9.—Dispatches to the Associated Press at 3:15 this morning show 208 republican congressmen elected, 135 democrats.

Washington.

Seattle, Wash., Nov. 9.—The figures available this morning indicate that Roosevelt carried the state by thirty thousand, the largest plurality on record. Mead, rep., was elected governor by about seven thousand.

Oregon.

Portland, Ore., Nov. 9.—The republican campaign managers this morning placed Roosevelt's majority in the state at from 35,000 to 45,000.

California.

San Francisco, Cal., Nov. 9.—Incomplete returns from all parts of the state indicate that Roosevelt's plurality will be nearly double that given McKinley. It is claimed it may reach 80,000.

One Man Badly Surprised.

In anticipation of the glorious victory we have won, we have arranged a monster celebration tomorrow night when the election of President Parker is announced.

I say President Parker because there is no doubt of it now. Advice received today show that Indiana is democratic by a huge majority. New York has been democratic a long time, and there is no doubt about that. With Indiana and New York the election of Parker is certain.

In the celebration tomorrow night we will throw a huge canvas across in front of the Waldorf-Astoria Hotel, where the official bulletins will be displayed. Everybody should come down with tin horns and in a humor sufficient to properly celebrate the election of the national democratic ticket.—Urey Woodson, secretary of

the democratic national committee, yesterday, speaking officially for the entire committee.

English for Roosevelt.

London, Nov. 9.—The "Liberals" throughout Europe wanted to see Roosevelt elected; reactionaries his defeat," said Herbert Eastwick Compton, the well known historian, traveler and fiscal reformer. Compton is distinguishing himself at the present time by his brilliant dialectics in support of Chamberlain. "Englishmen," he continued, "are unanimously for Roosevelt. They have nothing against Parker, except that his personality is ill-defined and suggestive of negation as far as international affairs are concerned. If he should be elected there would be no shock here or elsewhere in Europe. Everybody would feel that the White House would be creditably occupied. Roosevelt, however, is positive with regard to foreign affairs. With him as president, we expect America to exercise its rightful influence beyond the short line of the American continent and beyond the wider boundaries of its nonterritorial sphere of dominion.

"Like other free peoples, we welcome America into the arena of world politics, because wherever America is a factor humanity has a champion of these political, legal and moral principles Englishmen venerate. If America strikes she strikes for all those most precious things toward which the spirit of political progress has moved since its birth. A society of 80,000,000 people of which that can be said can not withdraw from the common interests of the race without something resembling universal disaster. President Roosevelt has been called theatrical, ill-balanced and an imitator of the kaiser. We do not believe that he is any of these things. We study his life of honest labor and perceive only evidences of a sound mind and a sincere character."

FAIRBANKS WAS PLEASED.

Indianapolis, Nov. 9.—Senator Fairbanks was given a reception at the Columbia club last night by prominent Republicans. The affair was an informal jollification. Fairbanks said: "The result is a very generous endorsement of President Roosevelt and of his most admirable administration."

CLEVELAND STRUCK DUMB.

Princeton, N. J., Nov. 9.—Former President Cleveland declined last night to comment on the result of the election.

JAMES WINS FOR CONGRESS.

The returns from the First District incomplete, indicate the election of Hon. Ollie James, Democrat, to congress, over Hon. J. C. Speight, Republican, by between 5,000 and 7,000 plurality. It is not believed the plurality will go over the latter figure.

RESULTS IN STATE.

Louisville, Nov. 9.—Kentucky was one of the few states that gave Parker a comfortable majority. The state has gone Democratic by about 12,000 but the elections in the city of Louisville is close but Sherley the Democratic candidate for Congress claims a majority over Owens of about 1,500 at a late hour.

LYON COUNTY.

Lyon county—Republican, 696; Democratic, 584; congress, Republican, 696; Democratic, 587; One precinct estimated.

G. Wells was elected county judge and Allbritten for representative. The Keys crowd had centered their fire on these men, but to no effect. It looks like Baker for sheriff, Williams county clerk and Broach for assessor. Alderson was elected jailer and the race for county attorney is in doubt between Barnett and Gilbert.

Ten out of thirteen precincts. Roosevelt, 1,177; Parker, 889; James, 983; Speight, 1,175.

LYON.

Official returns give Parker 833 and James 838, and Roosevelt 678 and Speight 678.

JAMES' PLURALITY.

Louisville, Ky., Nov. 9.—James' plurality is 5,342 in 126 precincts out of 198. The 72 missing precincts are in counties usually democratic.

VICE-PRESIDENT CHARLES W. FAIRBANKS.

RESULTS IN THE CITY

Paducah went republican this year. It is the third time in presidential elections, and it was a surprise to the democrats, some of whom imagined that republicans would not vote for Roosevelt.

The approximate majorities are 80 for the republicans, the municipal ticket running along with the presidential ticket. The figures are:

Roosevelt, 1,757; Parker, 1,676.

Speight, 1,748; James, 1,667.

Aldermen, Rep.—Starks, 1,739.

Farley, 1,759; Reed, 1,746; Bell, 1,750.

Democrats, Reed, 1,701; Greif, 1,763; Orme, 1,684; Rhodes, 1,683.

Council, republicans—McBroom, 1,766; Oehlschlaeger, 1,763; Kolb, 1,775; Dilk, 1,757; Broadfoot, 1,749.

Barnett, 1,755. Democrats, Hymarsh, 1,675; Hannan, 1,673; Sleeth, 1,651.

Smedley, 1,663; McCarty, 1,664; McGee, 1,658.

School trustees, republicans—Gallman, 1,748; Williamson, 1,739.

Pitcher, 1,744; Rice, 1,733; Petter, 1,763; Troutman, 1,745. Democrats,

Robinson, 1,668; Gilbert, 1,688; Herndon, 1,677; Greif, 1,677; Clark, 1,681; Renfro, 1,673.

Roosevelt's majority is, 81.

Speight over James, 81.

George O. McBroom leads the republican city ticket with 1,766 votes.

Reed leads the democratic ticket with 1,701, thus giving the leading republican 65 majority.

Every republican candidate is elected—the lowest candidate leading the head of the democratic ticket by 29.

The new members of the local boards will take their seats January 1st. They are Alderman Oscar Starks, Jeff J. Read, E. E. Bell, and John C. Farley.

The hold-over aldermen are Lucian Durrett, G. R. Davis, Charles Smith and Wm. Kraus, and these eight will compose the board of aldermen after January 1st.

The new councilmen will be Geo. O. McBroom, George Oehlschlaeger, Jr., Louis Kolb, and Louis Dilk. The hold-over councilmen are Fred Gallman, John Rehkopf, E. H. Gilson, Young Taylor, J. Riglesberger and George Ingram. These will constitute the new board after January 1st.

The new school trustees are Henry Gallman, Harry Williamson, W. H. Pitcher, Lycurgus Rice, Henry Petter and Dr. J. S. Troutman. They defeated Wm. Gilbert, H. R. Robertson, Thomas Herndon, J. V. Greif, J. Clark and J. R. Renfro.

The defeated candidates for aldermen and councilmen were:

For aldermen—Chas. Reed, Henry Orm, A. W. Greif and Harry Rhodes.

For councilmen—Al Hymarsh, Ed. Hannan, James Sleeth, Charles Smedley, James McCarty and Henry McGee.

All the defeated aldermen are now in the board except Mr. Rhodes, who was nominated in place of Alderman Gus Singleton.

All the defeated councilmen are now in the board except Messrs. McGee and James Sleeth, who were nominated in place of Messrs. J. S. Jackson and L. Watson.

All the defeated nominees for school trustees are in the present board except Messrs. Gilbert and Clark. They were nominated in the place of Prof. May and Trustee McFadden, the latter resigned.

There is plenty of opportunity of a dead lock in the boards. Both presiding officers retire, President Hannan, of the council, and President Chas. Reed, of the board of aldermen. In the board of education the presiding officer, Dr. Coleman, does not retire. In the council and board of aldermen a presiding officer will have to be elected by six democrats and six republicans.

THE VOTE IN PAST YEARS.

COMPARISON OF VOTES IN THE CITY.

Bryan in 1900, in the city received 1,652 and Parker this year, 1,676; McKinley, in 1900, got 1,848 and Roosevelt this year 1,758. The Democrats increased their vote 24 and the Republicans lost 90, but it must be taken into consideration that at least 300 Sound Money Democrats voted with the Parker Democrats. It is not to be thought any of them, except those who have aligned with the Republicans for all time, voted for Roosevelt.

Mr. L. P. Dilk, Republican nominee for councilman in the Fourth ward, has never said he would not serve, and will accept the place and qualify as councilman. Mr. Dilk is one of the best known citizens, and will make a good officer.
